Gibraltar Cleaning Fluid

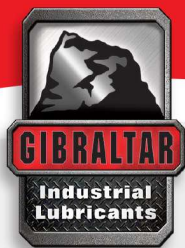

Solvent-based premium general cleaner

Gibraltar Cleaning Fluid is a robust solvent-based industrial cleaners designed for most general-purpose cleanup duties. This product effectively cuts oil, grease, and grime reducing cleanup time and streamlining product inventory. It is an excellent parts cleaner leaving no oil residues or films.

Gibraltar Cleaning Fluid is a pure hydrocarbon product that dissolves most synthetic and natural resins. It evaporates cleanly and evenly for dry finished surfaces. Excellent at cleaning tools and removing tough to clean stains and materials, **Gibraltar Cleaning Fluid** has low odor.

Gibraltar Cleaning Fluid provides the following benefits:

- Effective degreaser and resin remover
- Low odor, evaporates quickly
- Leaves no film or residue
- Designed for all-purpose cleaning duties
- Tool and parts cleaner
