Gibraltar Motor Bearing Oil

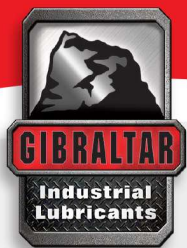

Non-detergent bearing and gear oil

Gibraltar Motor Bearing Oil is an R&O, straight mineral-type motor oil for elevator motor bearing applications. It's formulated using premium quality, high viscosity index base oil for superior oxidation stability and lasting performance.

Gibraltar Motor Bearing Oil combines superior lubricity properties with a specialty additive package that inhibits corrosion, rust, and breakdown due to oxidation. It provides long service life, excellent lubricity and cooling properties, and helps prevent the formation of sludge and other oxidative byproducts.

Gibraltar Motor Bearing Oil provides the following benefits:

- Excellent lubricity
- Outstanding oxidation stability
- Safe for brass, copper and other yellow metals
- Natural load-carrying capabilities
- High viscosity Index
